

SHELVING SYSTEMS

**CORE OF YOUR RETAIL
SPACE**

M^DERN EXPO

A photograph of a grocery store aisle, slightly blurred, with shelves stocked with various products. A sign in the background reads 'Today's Promo'. The text is overlaid in a large, bold, orange font.

Shelving systems are the base of every store. They provide an organized, accessible, and visually appealing display of the products, helping to attract customers and encourage them to make purchases

A blurred photograph of a grocery store aisle. The shelves are stocked with various products, and there are promotional signs hanging from the ceiling and on the shelves. The text is overlaid on the image in a large, bold, orange font.

Retailers must quickly adapt to changes in customer needs and preferences. It requires a flexible approach to product assortment according to the current customer demands

Dedicated solutions for various zones such as fruits and vegetables, bakery, alcohol, press, or promotional goods can also help to create an inviting and appealing environment that customers enjoy

The efficient usage of store space is another principle for a retailer's profitability. By using proper shelving systems, retailers maximize the area available for product display

The modular shelving systems from Modern Expo help to provide an efficient and attractive display for various products, creating a pleasant shopping experience for customers

The core of Modern
Expo Shelving is the
FS System with
middle back panel

The FS system is designed to maximize the efficiency of the shopping space

Receive extra **50 mm** useful depth on each shelf, using the space which wasn't utilized between two back panels

**Increase the passage without
reduction of the shelves useful depth**

MODERN EXPO has been a top company in creation of modern retail for more than 20 years.

We are convinced that modern retail is a phenomenon encompassing a multilevel system of obtaining goods with the ultimate consumer. Today, it's not just the physical store space, but also the solutions for E-commerce, warehouses, logistics and integrated supply chain.

Modern Expo is **9** high-tech
PRODUCTION UNITS specializing
in different types of equipment. Our
manufacture is one of the most powerful in the
world, we provide mass replication in roll-outs
and ensure meeting each of our products with
European safety and quality standards (EN and
FEM).

MODERN GEOGRAPHY

A stylized map of Europe and the Middle East, rendered in a light beige color against a dark background. The map shows the outlines of countries and major cities. Several cities are labeled in a light beige, sans-serif font: LONDON, PARIS, BERLIN, WARSAW, LUBLIN, LUTSK, KYIV, and DUBAI. The text is positioned in the upper left and center of the map.

We supply our
products to more
than 75 countries
